Caliban's War on Apple Books

Caliban's War is the second book in the New York Times bestselling Expanse series. For someone who didn't intend to wreck the solar system's fragile balance of power, Jim Holden did a pretty good job of it. While Earth and Mars have stopped shooting each other, the core alliance is shattered.

Caliban's War by Corey, James S. A. (ebook)

Caliban's War is set just a little bit after the events of Leviathan Wakes, and so the solar system is still riven by long-running tensions among the big three players: Earth, Mars, and the Outer Planets.
