### Making Inferences Reading Between The

Making inferences is a comprehension strategy used by proficient readers to "read between the lines," make connections, and draw conclusions about the text's meaning and purpose. You already make inferences all of the time. For example, imagine you go over to a friend's house and they point at the sofa and say, "Don't sit there, Cindy came over with her baby again."

### Making Inferences | Developmental Reading

Making an inference involves using what you know to make a guess about what you don't know or reading between the lines. Readers who make inferences use the clues in the text along with their own experiences to help them figure out what is not directly said, making the text personal and memorable.

### Inferences | Reading Comprehension Exercise - TeacherVision

Step 1: Identify an Inference Question . First, you'll need to determine whether or not you're actually being asked to make an inference on a reading test. The most obvious questions will have the words "suggest," "imply" or "infer" right in the tag like these:

### Reading Between The Lines Inference Activity • Have Fun ...

Making inferences requires students to combine what they are reading with what they already know, to reach into their own personal knowledge and apply it to what they are reading. In the previous example, a student needs to know that having a bathing suit means someone is going swimming and that getting seasick means someone is going on a boat.

### Making Inferences to Improve Reading Comprehension

Inference can be defined as the process of drawing of a conclusion based on the available evidence plus previous knowledge and experience. In teacher-speak, inference questions are the types of questions that involve reading between the lines. Students are required to make an educated guess, as the answer will not be stated explicitly. Students must use clues from the text, coupled with their own experiences, to draw a logical conclusion.

### What is an inference? And how to teach it — Literacy Ideas

Good readers make inferences, or conclusions, as they read. It's an important skill for understanding text, as authors often imply themes and ideas, without stating them outright.

### Inference Worksheets | Making Inferences

The Difference Between Inference & Prediction. Understanding the difference between inference and prediction is one of classic challenges in literacy instruction, in addition to the difference between main idea and theme, mood and tone, and reading versus deep reading, and so on. Some of it is a mater of jargon.
