To deliver the Wise Monkey messages further, I teamed up with Psychology Professor, Karen Pine, to design a money guide to help women take practical and emotional control of their money issues. We called the book 'Sheconomics' and it was published by Headline in January 2009. We're on a mission to convert women to top...

About Sheconomics | wise monkey's blog

Women's relationship with money is a keen interest of mine, since it is often psychologically and emotionally complex. And fashion interests me because it if so integral to personality and identity. I teamed up with financial coach Simonne Gnessen to create Sheconomics.

Sheconomics: Mind what you wear ... because it could change ...

The show's ten episodes tell the story of how three people on an island gradually develop an advanced economy. Characters Able, Baker, and Charlie discover key economic concepts such as capital and risk, comparative advantage, and money. Whether you use one video as a standalone lesson or assign the entire series, economics can be fun!
