"Michael Shermer has long been one of our most committed champions of scientific thinking in the face of popular delusion. In The Believing Brain, he has written a wonderfully lucid, accessible, and wide-ranging account of the boundary between justified and unjustified belief. We have all fallen more deeply in his debt."

The Believing Brain Quotes by Michael Shermer

The Believing Brain begins with three personal belief stories. The first story is about a man whom you will have never heard of but who had a profound and life-changing experience in the wee hours of the morning many decades ago that still haunts him to this day and drives him to search for ultimate meaning in the cosmos.
