The Dice Man Luke Rhinehart

The Search for the Dice Man. The Dice Man, a 1971 novel by career English professor George Cockcroft (writing under the pen name, "Luke Rhinehart") tells the story of a psychiatrist who makes daily decisions based on the casting of a die. Cockcroft describes the origin of the title idea variously in interviews, once recalling a college "quirk" he and friends used to decide "what they were going to do that night" based on a die-roll, or sometimes to decide between mildly mischievous pranks.

The Dice Man - Wikipedia

The character of Luke Rhinehart is a hard one to pin down. He is a man capable of rape, murder and subverting his own government. The Dice Man destroys his marriage and distances him from his children. He is a complete and total slave to the dice, but a very charismatic slave at that.

The Dice Man by Luke Rhinehart - Goodreads

The Dice Man. Luke Rhinehart's most acclaimed novel, The Dice Man has been a cult classic for decades. The Dice Man is about the idea of one's being able to explode out of a typical narrow existence by letting chance and risk into one's life. London's Time Out called it "The most fashionable novel of the early 1970s," and in 1995 a BBC production named it "One of the fifty most influential books of the last half of the twentieth century."

George Powers Cockcroft, widely known by the pen name Luke Rhinehart, is an American novelist, screenwriter, and nonfiction writer, with at least ten books to his name. He is best known for his 1971 novel The Dice Man, the story of a psychiatrist who experiments with making life decisions based on the roll of a die, including, near the novel's onset, the rape of his best friend's wife. Cockcroft has described the origin of the idea for this seminal work variously, however, at the time of the publ

Luke Rhinehart - Wikipedia

— Luke Rhinehart, quote from The Dice Man "Like the turtle's shell, the sense of self serves as a shield against stimulation and as a burden which limits mobility into possibly dangerous areas. The turtle rarely has to think about what's on the other side of his shell; whatever it is, it can't hurt him, can't even touch him.
